The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact our office at (800) 821-2251. | Important Questions  | Answers  | Why this Matters:  |
|--|--|--|
| What is the overall deductible?                                      | \$400/Individual or \$800/family   | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?          | Yes. <u>Preventive care</u> services with an in-network provider are covered before you meet your <u>deductible</u> .  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. For example, this <u>plan</u> covers certain in-network <u>preventive</u> <u>services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>www.alaskacare.gov</u>   |
| Are there other deductibles for specific services?                   | No.  | You don't have to meet <u>deductibles</u> for specific services.   |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | For <u>network providers</u> \$1,850 individual / \$3,700 family; for <u>out-of-network</u> facilities \$3,700 individual / \$7,400 family; <u>prescription drug coverage</u> : individual \$1,000 / family \$2,000. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the <u>out-of-pocket limit</u> ?             | <u>Premiums</u> , <u>balance-billing</u> charges, precertification penalties, and health care this <u>plan</u> does not cover.   | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .  |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See <u>AlaskaCare.gov</u> or call (855) 784-8646 for a list of network <u>providers.</u>  | This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | No.  | You can see the specialist you choose without permission from this plan.   |

• All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
